A photograph of a cable-stayed bridge, likely the Akashi Kaikyo Bridge, with a large white circular text overlay in the center. The bridge's cables and structure are visible in the background, and the water is at the bottom.

A person wearing a white shirt is holding a red handgun. The image is a close-up, focusing on the hand and the weapon. A white speech bubble is overlaid on the lower left side of the image, containing the text "TELL ME WHAT THE HELL'S GOING ON." The background is dark and blurry, suggesting an outdoor setting at night or in low light.

A road on a bridge over water, blocked by a large green truck. The road is paved and has white lane markings. In the background, there are streetlights and a city skyline across the water. The sky is overcast. The truck is a large green semi-truck with a white trailer, parked on the right side of the road. The front of the truck is visible, showing the headlights and grille. The truck is blocking the road, preventing any further travel in that direction. The road curves to the left in the distance. There are some bushes and trees on the left side of the road. The overall scene is a dead-end for anyone traveling on this road.

AH,
THE ROAD'S
BLOCKED
OVER HERE.

YOU'VE
GOT TO GO
ALL THE WAY
AROUND
OVER THERE
AND—

A dark, industrial scene. In the foreground, a large crane with a long arm is visible. To the right, there are large, cylindrical objects, possibly tanks or drums, secured with straps. In the background, a platform is suspended by cables, and three people are standing on it. The person on the left is wearing a light-colored jacket and a hood. The person in the middle is wearing a light-colored jacket and dark shorts. The person on the right is wearing a red jacket and a hood. The overall atmosphere is mysterious and industrial.

W-WHAT
